

WIRELESS ROOM THERMOSTAT

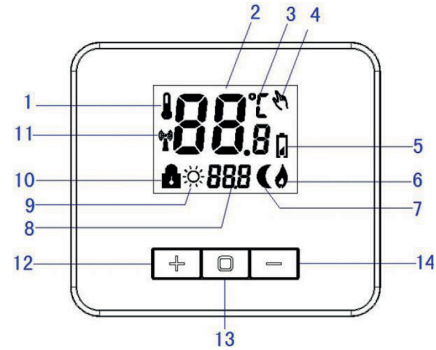

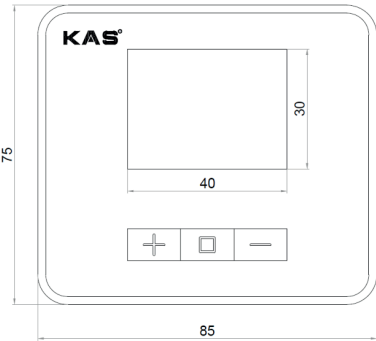

KAS®

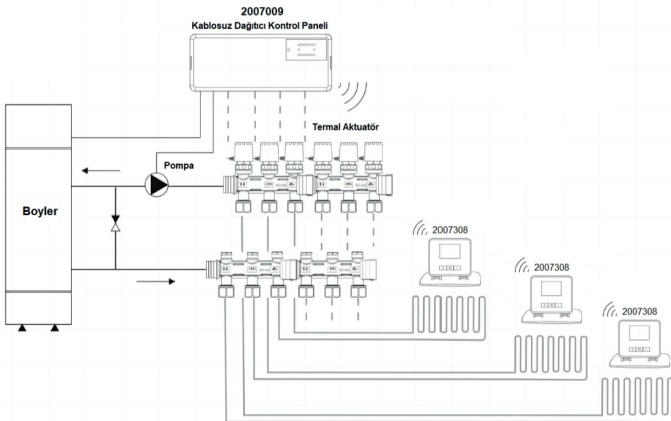

Holding Apparatus

TECHNICAL DATA SHEET - 20.07.308

Product Name	Wireless Room Thermostat
Product Code	20.07.308
Power Source	2 AA 1.5V Alkaline Batteries
Control Temperature Range	+5°C ~ +35°C
Operating Ambient Temperature	0°C ~ +50°C
Truth	0.1°C
Calibration Feature	Have (±5°C)
Night/Day/Auto Mode	Have
Freeze Protection Function	Have
Background Lighting Feature	Have
Material	Plastic
Color	White
Protection Class	IP21
Purpose of Usage	Controlling the underfloor heating system

- 1- Temperature indicator sign
- 2- Temperature display area
- 3- Temperature unit display area
- 4- Manual operation mode sign
- 5- Low battery warning sign
- 6- Heating active warning sign
- 7- Night mode sign
- 8- Temperature setting indicator
- 9- Day mode sign
- 10- Child lock sign
- 11- Wireless RF operation sign
- 12- Increase button
- 13- Switch button / Configuration menu setting button
- 14- Decrease button
